## Restaurant Insurance

*Serving the Tallahassee area since 1963*

Butler-Vause Insurance Agency specializes in insuring restaurants and fine dining establishments. Your restaurant may share some of the same risks that other businesses have, but you also have many unique risks. Butler-Vause Insurance knows and understands your industry.

Before we quote your insurance we take the time to understand your current and future needs. We ask questions like, “What is your clientele like?”, “Do you have any special food purchasing needs?”, or “What is your neighborhood like?”. We then design an insurance product specially designed for you. Coverage we write:

- Restaurant Liability Insurance
- Worker’s Compensation
- Liquor Liability
- Commercial Property Insurance
- Business Personal Property
- Business Income/Extra Expense
- Employment Practices Liability
- Commercial Auto
- Food Spoilage Coverage

Purchasing the right insurance for your restaurant could save you money in the event of an unfortunate situation. A basic policy could provide coverage for buildings, liability, workers compensation, liquor liability, loss of business income, theft, or employee dishonesty.
